

Canadian Embassy

Ambassade du Canada

Note No.134

The Canadian Embassy presents its compliments to the Ministry of Foreign Affairs of the Royal Thai Government and has the honour to request that consideration be given to the transfer to Canada, under the terms of the Canada-Thailand Treaty on Co-operation in the Execution of Penal Sentences, of Mr. Alain Olivier, currently incarcerated at the Bangkwang Central Prison.

The Royal Canadian Mounted Police Public Complaints Commission, a statutory body, has recommended, and Mr. Olivier has agreed that efforts should be made to effect, under the terms of the Treaty, his transfer as soon as possible. This request is made notwithstanding the normal requirement of eight years mandatory service of Mr. Olivier's sentence in Thailand.

The Canadian Embassy avails itself of this opportunity to renew to the Ministry of Foreign Affairs of the Royal Thai Government the assurances of its highest consideration.
