BARRY, G. (for Crown)
cross exam

1 Q You don't remember that?
2 A No, Your Honour, it didn't happen.
3 Q Did you ever relate a story to Mr. Olivier to the
4 effect that the guys you were associated with, this --
5 and this may not be a true story, I appreciate that --
6 but did you ever tell him a story about the guys that
7 you were associated with, this big-time dope dealers,
8 where they took a guy who owed them money out in a
9 boat, and then when he came back there were some rifle
10 shells in the bottom of the boat and there was no guy,
11 this alleged debtor. Do you remember telling him that
12 story?
13 A Yes, I do remember saying that story, yes.
14 Q Do you remember that Mr. Olivier was actually there
15 when the boat came in and there were rifle shells and
16 there was no alleged debtor?
17 A That is correct.
18 Q Yes. And that was a little play for Mr. Olivier's
19 benefit, wasn't it?
20 A That's correct.
21 Q Of course, nobody was killed.
22 A Nobody.
23 Q You let him off down the coast somewhere or something.
24 A That's correct.
25 Q Mr. Olivier, of course, is in jail in Thailand now,
26 isn't he, to your knowledge?
27 A That's last time I heard about, yes, about Mr. Olivier,
28 yes.
29 Q And isn't it true that Alain Olivier owed you money?
30 A That's incorrect.
31 Q That's incorrect? You didn't have conversations with
32 him over the telephone with him where you two argued?
33 A Well, we -- like, Your Honour, what happened in that
34 matter is I was trying to make myself look bad, and I
35 said, "You owe me money," and stuff like that. That is
36 correct. I did say that.
37 Q Well, if he didn't owe you money, he would have known
38 that. What were you saying, "You owe me money" for?
39 A See, Your Honour, what happened in that matter is I
40 loaned my boat to Mr. Olivier, and he broke the leg off
41 the boat, so that's the only reason how that happened.
42 Q So he did owe you money, you felt?
43 A He basically did, yes, in a way, but --
44 Q And he had to pay you back, didn't he?
45 A Yes, he did.
46 Q And so he had to make some -- and you knew he wasn't
47 really working at that time, was he?
