Project Description:

- but the money on by suggestion.
- the plan was - not working.
- again back in G.S.T.
- Quire plan - worked fine.
- we never totally rely on our equipment.
- if equipment working - then police would have been able to block here so recs. could have exited. (MAYBE)
- furious - dressed at bedroom - all this.

Planet:

- didn't know of EA men in Cherry Mair (3 men) should have had them around (GOR9 in Bonpoh)

Quire 10 yds from back of truck, - floor in back with male & female

when I saw signal - walked back to truck - girl jumped on to back.

- truck off drive away - 10 km/hr

- turned a corner - before - I tried to

jump in truck - it hit me - took me away - saw floor in back of truck

seeing - saw floor come out of truck - (didn't know it was floor at time - shock)

still had stuff on floor.

- called for the police. no real delay.

- found floor on his back.

- no vital signs - M.S.M. - got his feet going.

- it happened within 5 minutes of falling.

- it had to do it again - not much change.
