*Subject: Request to the P.C.C. To review RCMP Cpl. Derek Flanagan's Death Chiang Mai, Thailand, February / 19<sup>th</sup> / 1989*

**Mr. Prime Minister**

You'll find enclosed my letter dated of **January / 30<sup>th</sup> / 2007** to the RCMP Public Complaints Commission's Chairman, Mr. Paul Kennedy.

In my last letter to your attention, I've informed you of the fact that you would most likely be hearing a whole lot about Deception over the year 2007, and I do intent keeping my word on this.

The simple fact of knowing that the RCMP members involved in the RCMP Buy & Bust Operation in Chiang Mai, Thailand, have lied in regard of the events and circumstances related to RCMP Derek Flanagan's Death, is only another example of RCMP's malicious conduct and illicit behavior.

With the documents in my possession, not to mention of my personal knowledge of the events related above, it will be simple showing that the RCMP members involved in Deception, have been far from being truthful about their colleague's Death, as well as the Events leading to it on the night of February 19<sup>th</sup> / 1989 in Chiang Mai, Thailand. Wouldn't it be nice knowing why, Mr. Prime Minister...?

Mr. Prime Minister, do not remain silent and only a bystander in the face of Deception and all that will without a doubt happen eventually. Namely when being confronted with what's been nothing, but Lies and Deceits so far. Deception will go down into history as not only being a Monumental RCMP's Screw Up, but also as perhaps, their biggest and worst Blunder ever.

Remember that the Truth sooner or later, always gets to come out Mr. Prime Minister. Maher Arar's case, being another simple and good example of this.

Thank you very much for your time Mr. Prime Minister. I remain...

**Sincerely yours**

**Mr. Alain Olivier**
