**Mr. Prime Minister**

**I would like directing your attention Mr. Prime Minister, towards the CTVW5 documentary presented March 15<sup>th</sup> / 2008. If you may do this and acknowledge the content of this documentary, you will truly understand the reasons that bring me writing you.**

**My name is Mr. Alain Olivier. I am the Canadian Citizen, who was the subject of this one-hour Special Documentary on CTVW5. It leaves nothing to the imagination with regard to my shameful treatment at the hand of the RCMP and my own government in the case of RCMP Operation Deception.**

**I have been asking your minister of Public Safety, the Hon. Stockwell Day and the Minister of Justice, the Hon. Rob Nicholson, to institute a fully open Public Inquiry in to these matters.**

**Hopefully, you will yourself step forward and call for such inquiry, once aware of all the facts. To remain silent and hoping that it will all go away, is not an option in the present case and in light of what has been exposed in this documentary.**

**Therefore please use your discretionary power at this point Mr. Prime Minister, and ask yourself, for a Public Inquiry. Which is the only proper thing left doing, when being confronted with what's been nothing, but Lies and Deceits over the last two decades.**

**The Truth sooner or later, always gets to come out Mr. Prime Minister. Maher Arar's case, being perhaps the best example of this. Justice O'Connor was pretty clear in his Final Report on the Maher Arar's Case.**

**In fact, a simple look at Justice O'Connor's Final Conclusions and you will see that several of the same infringements occurred in my case, as those of Mr. Arar. With the difference that what was done to me, can be duplicated several times in term of total disregard to the truth, to the facts and to my life consequently.**

**If all Canadians are entitled to the same fair and honest treatment, then I would ask you to intervene in this present case.**

**Thank you very much for your time Mr. Prime Minister. With hope of a reply from your part. I remain...**

**Sincerely yours**

**Mr. Alain Olivier**
