**Att: The Honorable Rob Nicholson
Canadian Minister of Justice
Chamber of Commons

Mr. Minister

I am writing you following the CTVW5 Documentary “Mistaken Identity”, presented Saturday, Mach 15 / 2008. This documentary has given me good enough reasons to write you today Mr. Minister. As it has also prompted me doing in my request addressed to the Hon. Stockwell Day, Minister of Public Safety. (Find enclosed copy)

In the event you hadn’t heard nor seen the above documentary; I would advise you doing so and the sooner the better. You may do so by going on the internet, and look for CTVW5 “Mistaken Identity”. You also may go on the first page of my (in construction) web space on the net at... alainolivier.ca

Once you will have taken cognizance of the above documentary, I would like you as Justice Minister, to intervene and ensure that a full and open Public Inquiry, be instituted in order to make all the light on what when wrong in this case.

In light of the informations found in the content of this CTVW5 Documentary, remaining silent, isn’t an option anymore Mr. Minister.

I am, as all Canadian Taxpayers entitled to the truth. Entitled to know how such Cover Up and breach of the Law may have been allowed to happen at the RCMP Public Complaint Commission and above it, where many were no doubt aware of what was going on.

Contrary to my last couple letters to your attention, dating of February 2007, I hope this time around being able to enjoy the pleasure of a reply from your part.

Thank you very much for your time Mr. Minister. I remain...

Sincerely, yours

Mr. Alain Olivier
